- Use the floor plans below to orient yourself once inside Senate office buildings; the floor plans are identical for different floors within the same building
- To identify offices, keep in mind that the first two letters before the office number identify the building (e.g., “SR” is Senate-Russell), the next number indicates building floor, and the last two numbers indicate specific office
- For example, SD 249 is on the second floor of Dirksen.

Interior doors connect Dirksen and Hart
